Organize **Blood Donation Camp** once in a year. The GP/VCs are requested to ensure **atleast 10 donors** and the concerned Block Development Officers are urged to conduct the Blood Donation Camp with all the GP/VC under his/her jurisdiction inclusively

- Implementation of **Complaint Boxes** in All Anganwadi Centers and Schools for Enhanced Grievance Redressal.
- Conduct a **weekly inspection** of the complaint box in the presence of PRI members, and take prompt action based on the issues raised.

- Establish a **coaching center** for needy students from Priority Group Households, utilizing the support of local educated youths.

Enhance the **vibrancy of the Bal Sabha** by organizing co-curricular activities led by the village children, allowing them to explore their talents and overcome stage fear.

Organize a special class in each school every month to assess and monitor the **reading and writing skills** of elementary-level students.

- Establish a **book bank** for the children of the village to cultivate their interest in reading beyond school textbooks, allowing them to gather more knowledge and broaden their horizons.

- Provide **two saplings** to the parents of each newborn baby, symbolizing growth and a greener future.

➤ Organize a special drive to **immunize all the left-out children** of various age groups in the village, ensuring their health and protection.

- Compile a list of local passenger **vehicle** drivers and share their contact numbers with all households, ensuring prompt access to transport facilities when needed specially in case of **medical emergency**.

Set up **Sanitary Pad Vending Machines** in schools and ensure the availability of pads throughout the year for students.

- Set up **distribution boxes for contraceptive items** in Anganwadi Centers (AWC) and the Health Center to ensure easy access for those in need.

- Identify shops within a 200-meter radius of schools and issue notices prohibiting the sale or display of any **harmful substances**, Penalties may be imposed on shop owners who violate this rule one month after the notice is served.

Set up a 24x7 active Help Desk

Objective :-

To monitor and supervise the health related issues to ensure continuous improvement and required support as and when needed.

Task :- Inform the community about various health related events like-

- The schedule of VHND
- Visit of RBSK Team
- Health Camps
- Special Immunization Drives
- Health Insurance related Information's
- NSV Camps, etc.

Formation :-

- Pradhan
- Upa-Pradhan
- All the ERs of GP
- PRI Functionaries
- ANM/ MPW
- AWW
- ASHA workers
- Representatives of SHGs
- Local Youths.

THANK YOU
