NATIONAL MASTER PLAN FOR WORLD CLASS MODERN INFRASTRUCTURE

Prime Minister launched PM GatiShakti - National Master Plan for Multi-modal Connectivity , essentially a digital platform to bring 15 Ministries including Railways and Roadways together for integrated planning and coordinated implementation of infrastructure connectivity projects. The multi-modal connectivity will provide integrated and seamless connectivity for movement of people, goods and services from one mode of transport to another.

- Completing 25,000 Km National Highways in 2022-23
- Unified Logistics Interface Platform
- Open Source Mobility Stack

- Integration of Postal and Railways Network
- One Station One Product
- 400 New-Generation Vaande Bharat Trains

- Multimodal Connectivity Between Urban Transport & Railway Stations
- National Ropeways Development Plan
- Capacity Building for Infrastructure Projects
